Profile & Goals

Moved from São Paulo to San Francisco to immerse myself in Design and Coding. Pursuing my dreams to create beautiful and easy-to-use user interfaces. My passion is exploring new visual interactions made possible by the most recent web technologies.

Skills

Coding languages:

HTML5, CSS3, Javascript, PHP and MySQL. Basic Objective-C and D3js.

Libraries and tools:

jQuery, SASS, GRUNT and Git

Adobe Photoshop, Illustrator, InDesign and After Effects.

Extra:

Very excited to learn new things, new ways to collaborate and the newest technologies.

I enjoy working in multi-disciplinary teams in the intersection of Art and Technology.

I'm fluent in English, Spanish and Portuguese. Currently learning French and Mandarin.

Education

BA in Web Design and New Media (2015) – Academy of Art University, San Francisco.

Completed 4 semesters of BA in Graphic Design – Belas Artes University, São Paulo.

Completed 2 semesters of BS in Physics – University of São Paulo, São Paulo.

Visual Communication – Panamericana School of Art and Design, São Paulo 2002.
